

Calling All Artists!

5th Annual Budding Artist Art Show

August 13th
at the Oakview Center

Details For Entering Will Available At
The Oak View Center Beginning July 1.

Competition Level: Ages 6-18
Adults - Exhibition Only.

Draw and Paint! (ages 7-10)

Watercolor Pencils make painting easy and fun! They offer the control of a pencil children find familiar and therefore are more comfortable to begin working with. The ability to draw details and layer colors slowly adds confidence in the aspiring artist. Join in the fun and learn the techniques used to create our beautiful painting projects. With the application of water your painting begins to bloom with the look of a traditional watercolor painting. Projects change every session. Beginning/continuing students One 11 x 14 Watercolor tablet and 12/24 Watercolor pencils required for first class. PDNA (cc) There will be no class on June 18.

Summer 2008 - Art Club! I (ages 7-9)

This course is specially designed for our younger artists. These classes will focus on exploring selected mediums in art, positive creative thinking skills, and learning the basic fundamentals of art. Our club is a great way to prepare your artist for entering several other art classes offered. The lessons will be moderately structured to allow for maximum student input. Students will be instructed in basic skills, drawing, color, and composition needed to complete projects according to the individuals' ability. Techniques and terminology will be taught with each new medium introduced. This is not a craft making class. Join us for a relaxed and positive exploration into the world of art. A small supply list for students to purchase will be handed out in our first class. PDNA (cc) There will be no class on June 16.

Kids Get the Lead Out! I & II (ages 8 - 16)

Beginning/continuing In these six week drawing classes we will focus on building self-confidence as we draw simple objects, learn how to shade, and begin surface textures and terminology. If you already have a basic understanding of how to draw, this is also your class. You will work on more complex skills and continue to expand on techniques. Learn how to draw metal, glass, animal portraits, fabric and unusual shapes. Combine objects and work on developing your artistic style. All students will be able to continue on in this class and individually progress to their own ability levels as new skills are introduced. Students are responsible for bringing the medium they wish to work in to all classes. One 11x14 or larger sketchpad required at first class. Students may work with graphite pencils, pen & ink, charcoal, colored or pastel pencils. PDNA (cc) There is no class on June 16.
