Important Information - The first day of registration for the trips listed will be IN PERSON for ONE DAY ONLY! Please note the registration deadlines outlined in each description. Any registration received on these trips PRIOR TO or AFTER May 7 will be processed after this date and according to our MAIL-IN/DROP OFF procedure. Thus, any registration mailed in or dropped off prior to November 5 will not take precedence over those present for the In-Person Registration. Walk-In & Non-Resident registration begins **Monday, November 7** Trip fees include admissions and transportation, unless otherwise specified. There are NO DISCOUNTS given on any trips. Note: Due to the popularity of our trips, only 2 tickets per person per trip can be purchased by an individual during the first week of registration. This entitles us to accommodate as many participants as possible since trips have limited space. In the case of a full trip, waiting lists will be taken and every effort will be made to add an additional bus or an alternate date.

No Refunds! - In the past, we have been experiencing several last-minute refund requests for our various day and evening trips. Although we realize that emergencies do arise, we need you to understand we have confirmed reservations, thus the park district is NOT entitled to a refund. Because of this, NO REFUNDS will be given for any trip unless there is a waiting list and the park district can find a substitute for you, or you can find a replacement for your reserved space(s). If this is the case, you must fill out a refund request form in person at the office. (SEE REFUND POLICY.) Your cooperation in this matter is greatly appreciated.
