Limited spots are available so register early!

While the Oak Lawn Park District is excited to offer a summer camp program this summer we understand that the program we are offering does not include all of our past camp participants. Please understand that we look forward to more inclusive guidelines in the future.

Eligibility for participation:

Due to continued restrictions for safety there are specific eligibility requirements campers must meet in order to attend camp this summer. Staff will assess each camper's ability to participate in camp while following these guidelines. Staff will continue to assess each camper's ability as needed throughout camp. At any point if a camper cannot follow these guidelines, staff will reassess their eligibility for camp.

- Ability to participate in camp activities with minimal visual and verbal prompting.
- Ability to adapt to changes in camp schedule.
- Ability to independently attend to personal care (i.e. toileting, feeding, hygiene, hand over hand, lifting/transferring, and hand washing/using sanitizer). Staff will assist with verbal prompting, if needed.
- Ability to be responsible for own personal items with verbal prompts or reminders.
- Ability to stay in safe proximity to group and refrain from elopement or wandering.
- Ability to refrain from physically aggressive behaviors such as biting, spitting, scratching, hitting, kicking, etc. or behaviors that require direct or close proximity intervention from staff.
