

**Oak Lawn
Park District
Edition**

Can you and your team of detectives solve the murder of evil Dr. COVID?

Who committed the crime? **What** weapon did they use? **Where** was the crime committed?

Research

Oh, no! This quarantine has finally gotten to the Oak Lawn Park District staff! They wish people could get back to playing tennis, working out, attending dance class and ice skating. One staff member had enough and decided the evil Dr. COVID must be punished!

Investigate

Clues have been placed in the windows of 6 of our facilities to help you solve the crime. Visit all 6 facilities and cross off all evidence you find using the following evidence tracking page. **Be sure to maintain appropriate social distancing while you investigate.**

Solve!

Once you have collected all of the clues, you will be left with one staff member, one location and one weapon that you do not have any clues for. Congratulations! You have solved the crime! Comment on our CLUE Facebook post that your family has solved the crime and how many detectives were on your team to be entered into a drawing to win a prize! **DON'T** give away the answer online, we want to keep the fun going and give everyone a chance to figure it out.
