Succulent Social Hour (Age: Adult)

Succulents are adorable small plants that are attractive in any home decor. Join us for our 6th annual Succulent Social Hour! Attend this class and learn how to assemble a colorful- easy to grow succulent planter. Bring a friend, socialize and bring home a planter full of cute little plants! These plants are easy to care for. Save \$ and create thoughtful gifts for others. Reuse an old dish, garden container or some great yard-sale find! Just about anything will do, however succulents are easier to care for in containers that have a drain hole (a lot easier to not over-water). If you do not have a container there will be containers at the class (one container per person). Soil and plants included in the price of the class. No prior gardening experience necessary. (DF)
