

PROGRAM GUIDE EDITS

We are working on providing you with the most current and accurate Program Guide information. We are following Illinois Pandemic mandates as best we can, and may need to make additional changes to programming and services to abide by appropriate guidelines.

Please note: Our most accurate information will always be found by going directly to <https://register1.vermontsystems.com/wbwsc/iloaklawn.wsc/splash.html>.

So you can better track what changes have been made to our current Program Guide, we will implement the following key:

1. Cancelled Programs, Events or Services

We will place the below "CANCELLED" stamp across the specific program, event or service being cancelled. This means that the program, event, or service will not be rescheduled at this time. If you have a refund question, please contact the supervisor in charge. A staff directory along with email address can be found at the 'About Us' Tab. You may also call 708-857-2225.

2. Changed or Rescheduled Program, Event or Service

We will highlight in yellow the specific program, event or service being changed. This means that the program, event, or service has a day, date, time, location, fee, and/or description change. Please visit our online registration tab to view the correct program or event information. If you have a refund question, please contact the supervisor in charge. A staff directory along with email address can be found at the 'About

3. Running As Is

If you do not see a "CANCELLED" stamp or highlight on a program, event or service, please assume they are running as displayed and scheduled.

We hope this process helps aid in a smooth enrollment. Guide updates will be made on Tuesdays & Fridays, if needed. We appreciate your patience and understanding during these uncertain times.
