Mission Statement
The Oak Lawn Parks Foundation is a “not-for-profit charitable foundation supporting leisure and our environment.” Its mission is to provide for the continued enhancement of leisure programs, recreational services, park lands, historic properties, and to provide input for the development of sound environmental policies and practices for the Oak Lawn community. The foundation has been created to act as a community-wide advocate for open space, leisure and environmental preservation. The foundation seeks and welcomes all types of gifts, from cash to securities to real property, which it can hold and administer.

Memorial Tree & Tree to a Tee Programs
As a lasting gift, memorial, or to commemorate a special person or occasion, you can contribute to the Memorial Tree or Tree to a Tee Planting Programs. This fund is maintained by the Oak Lawn Parks Foundation for the planting of trees by the Oak Lawn Park District to beautify parks and the golf course. You may purchase a tree for $300. Trees will be planted in the fall and spring. Every effort will be made to honor the request of your choice of trees and park or golf course location of where it is to be planted. All contributions are tax deductible. At the time of the planting, honorees are presented with a plaque and certificate acknowledging their donation including the name of the person or organization being commemorated. Call 708-857-2200 for more information.
