

IMPORTANT TRIP INFORMATION

Online Registration is now available at www.olparks.com!

The first day of registration for trips will be July 27.

Also, every person signing up for a trip must have their own household information on file. Any registration received on these trips PRIOR will be inputted on July 27. Trip fees include admissions and transportation, unless otherwise specified. There are NO DISCOUNTS given on any trips. In case of a full trip, we ask that you sign up to be placed on our non-paid waiting list. Due to inclement weather trips will be going unless you receive a phone call.

No Refunds! - In the past, we have been experiencing several last-minute refund requests for our various day and evening trips. Although we realize that emergencies do arise, we need you to understand we have confirmed reservations, thus the park district is NOT entitled to a refund. Because of this, NO REFUNDS will be given for any trip unless there is a waiting list and the park district can find a substitute for you, or you can find a replacement for your reserved space(s). If this is the case, you must fill out a refund request form in person at the office. (SEE REFUND POLICY.) Your cooperation in this matter is greatly appreciated.
