Year-Round Pickleball Drop in Play

Pickleball is designed to be easy to learn and play whether you're five, eighty-five or somewhere in between. Pickleball is traditionally played on a badminton-sized singles court with special Pickleball paddles, made of wood or high-tech aerospace materials. The ball used is similar to a wiffle ball. The lower net and wiffle ball allow the game to be accessible to people of all ages and abilities, while still allowing more competitive players to test their mettle. Pickleball paddles, balls and nets will be provided by the facility. No registration is necessary. Contact nmagro@olparks.com for drop-in play night reservations. PDNA (nm)
