**Stageplay Musical Theater for Kids!** (Age: 9-15)

StagePlay Productions emphasize the journey toward producing a show from start to finish, while creating a fun environment to stretch dramatic wings. Participants will rehearse and perform Law & Order: C-rhyme and Pun-ishment this winter. In the nursery rhyme justice system, the people are represented by two separate yet equally important groups — the detectives, who investigate the crime, and the magistrates, who prosecute the defenders. These are their rhymes. In the spring, the production will be No Strings Attached. Everyone's favorite character gets an extreme makeover in this hip and hilarious musical adaptation of the classic tale of a talking puppet who gets into all kinds of trouble before learning what it truly means to be human. We offer a safe environment for participants and staff which includes the implementation of social distancing and masks, and a performance video with virtual singing. The production recordings on March 10 (Winter) and May 26 (Spring) will take place without an audience. The registration fee includes a digital download of the performance video.
