

## **Dog Park Dog Tags**

- Members must have dog tag visible at all times while in the Dog Park
- All staff and members of the park may ask any participant not displaying the appropriate dog tag to leave and/or report the incident to the Supervisor
- Tags will be issued twice a year (different colors) to all current members of the dog park
- Tags will expire June 30 and December 31 of each year
- New tags will be available in May and November months and members will be notified through email/calls that they need to pick-up the new dog tags
- New members in May/June will receive the dog tag that expires in December
- New members in November/December will receive the dog tag that expires in June
- Membership status must be checked each time a new tag is issued
- If membership is due to expire two months after a new tag is issued (i.e. membership expires in February and would like to pick up the new tag for January), the member must renew their membership in order to receive the new tag
  - Months of membership this will apply to include: January, February, July, and August
- Vet records of all dogs and yearly registration in VSI will continue to be taken as in years past
