Waiver and Release of All Claims and Assumption of Risk

I understand that it is my responsibility to give the medication directly to program staff. In all cases, medication dispensing can only be changed or modified by completing another Medication Authorization Form. I also understand that it is my responsibility to inform the Oak Lawn Park District if any changes in the instructions for dispensing of medication occur.

I recognize and acknowledge there are certain risks of physical injury (including death) in connection with the administration of medication to my child/ward and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of the administration of said medication (including, failure to administer the medication). Such risks include, but are not limited to, failing to properly administer the medication, failing to observe side effects, and failing to recognize or adequately address an adverse reaction or emergency medical situation. I do hereby fully release and discharge the Oak Lawn Park District, including its employees and agents, from any and all claims from injuries, damages and losses I or my minor child/ward may have (or accrue to me or my minor child/ward), and arising out of, connected with, incidental to, or in any way associated with the administration of medication. .
