

United States Figure Skating "Learn to Skate" It ALL starts with skating!

Location: Ice Arena

The purpose of our classes is to create a positive, fun and healthy environment for skaters of all ages and abilities. We strive to inspire in participants a sense of personal accomplishment along with a life-long passion for skating, while challenging each student to reach their full potential. From three year olds to adults, our lessons provide you with the foundation for Figure Skating classes, Hockey or Recreational skating. Lessons are presented in a logical progression whereby a skater builds upon skills achieved in the preceding level. Some classes may need to be repeated to master all skills. Our curriculum works in conjunction with both the United States Figure Skating (USFS) Basic Skills Program and the International Ice Skating Institute (ISI) "WeSkate" program. (MH)

BEGINNER SKATING LESSONS

Thursday classes are 10-week sessions; Saturday classes are 11-week sessions! No classes on Thursday, October 31st, Saturday, November 2nd, or Thursday, November 28th.

Snow Plow 1 Skating Lessons (Age: 3-6)

Snow Plow 1 is for the participant age 3-5 who has little or no experience on the ice. These classes teach the fundamentals of skating such as balance and coordination. The children will play with toys on the ice in an effort to reinforce the required maneuvers. (MH)

Kids Countdown Skate Camp (Age: 5-13)

Get ready for a fun time on and off of the ice! Daily activities include skating lessons, group routine practice, and organized fun & games. Off of the ice, skaters will help in the design of their costumes and will create decorations for our Kids' Countdown event. All parents and siblings are encouraged to attend the Kids' Countdown Event on Thursday 12/31 and see their skater perform to end a "really cool" camp. (Additional fees for those attending this event do apply). Open to ages 6 and older; Beginner level and above. (MH)

BOGO IS HERE AT THE OAK LAWN ICE ARENA

We are offering a second class at half off the original price. Skating more than once a week increases a skater's success level in learning new skills. The more you skate, the better you skate!

Purchase both a Thursday and Saturday class FOR THE SAME PARTICIPANT and the second class is HALF OFF of the original price! Classes must be held during the same session and used for the same participant.

Parents of registered skaters in our Learn-to-Skate program receive 50% off of new registration in the Adult Learn-to-Skate class. Everyone registered in our classes receives FREE ADMISSION to our Public Skating Session. Now, you can join in on the fun!!!

Testing:

- Skaters must master every skill before progressing to the next level. However, each skater is different and progresses at his/her own pace. Some classes may need to be repeated to master all the skills.
- A pre-test will be given two weeks before the session ends, followed by a final test given on the last day of class. Parents will be notified at test time if their child is ready to move up to the next level.

Private Lessons

Private lessons are available to skaters needing extra help mastering a skill, or those wanting to learn more rapidly. Private lessons also prepare the skater to perform in shows, exhibitions and/or competitions. Private lessons are also available to all ages and abilities; and are especially recommended for Free Skate level skaters, in addition to classes. Skaters are responsible for Freestyle time and coaching fees, which vary. (MH)

Skates-Which ones should they wear? Proper equipment is the first step towards a positive skating experience. For beginners ages 3-5 leather starter skates/Figure Skates with a single blade made of steel not aluminum are much easier to learn in.

Why Figure Skates For Beginners? The advantage of learning in a pair of Figure Skates is that the blade is flat allowing greater stability while learning. The toe pick allows the skater to catch themselves should they begin to fall forward. When buying a pair of ice skates it's important to look for leather not vinyl. Leather helps support the ankles, vinyl does not.

Why not Hockey Skates for Beginners? Hockey skates for beginners are difficult to learn in. A hockey blade is "rocked" like a rocking chair. If the skater does not have complete balance they will rock forward & backward and will fall down frequently, which is frustrating for a beginner. Once the skater has attained the basic skating skills, a transfer to Hockey Skates takes only a few times on the ice to adjust. Your skater will be leaps and bounds ahead of the game if you place them in Figure Skates when they are just starting out.

Why not Double Runner Blades? The skating skills that are being taught in class are more difficult to learn if your child is wearing double runner blades. Double runner blades are not allowed for skating classes. .
