Memorial Tree & Tree to a Tee Programs

As a lasting gift, memorial, or to commemorate a special person or occasion, you can contribute to the Memorial Tree or Tree to a Tee Planting Programs. This fund is maintained by the Oak Lawn Parks Foundation for the planting of trees by the Oak Lawn Park District to beautify parks and the golf course. You may purchase a tree for \$300. Trees will be planted in the fall and spring. Every effort will be made to honor the request of your choice of trees and park or golf course location of where it is to be planted. All contributions are tax deductible. At the time of the planting, honorees are presented with a plaque and certificate acknowledging their donation including the name of the person or organization being commemorated.
