

Learn To Swim Instruction

•The Oak Lawn Park District's Learn-To-Swim Program is designed to teach swimming skills to toddlers, children and adults in a positive, happy and safe environment. With an emphasis on fun, we offer lessons that emphasize logical skill progression, water-safety awareness, and endurance. Participants are assessed on their individual ability and will be promoted to the next level when they have completed the necessary skill requirements.

•Please remember that people learn at their own pace. **Mastering swimming skills takes time, practice and patience! It is not unusual for students to repeat a level several times in order to master the skill required for a completion certification and advancement to the next level.**

•Safety is an important component at every level and all of our aquatics courses include education in personal safety in and around the water.

Please keep in mind that we rent the facility.

• **What level do I enroll in?** Please refer to the course descriptions. If you feel your skills are between levels, please enroll in the lower level. Do not enroll in a higher level if your desired class is filled, as there may not be availability to place the child in the appropriate class if they are determined to be not ready for the higher level.

• **What happens if the class I want is filled (has no openings)?** We recommend registering early to prevent this from occurring. We do offer a wait list, but we find very few if any cancellations/refunds for swim lessons.

• **What do I need to bring the first day of class?** Besides a swimsuit and towel, goggles are allowed if a participant prefers them.

Refunds – See page 5 for complete details on the Oak Lawn Park District Refund Policy.

Medical refunds will be granted when appropriate medical documentation is submitted with the refund request. **No class 2/08.**

Swim Level 1 (Age: 5 & up)

Participants of this class will learn emerging stroke skills with support. They will strengthen arm and leg movements on their front and back, and learn to combine them with support. They will perform front and back floats and glides with support. Participants will learn to enter and exit the water independently, swim with a lifejacket and retrieve a submerged object in shallow water. (mc)

Location: Richards High School

Code	Days	Date	Time	Res/NR

303011-04	Sa	1/11-3/07	1:30-2:20P	\$75/\$85

Swim Level 2 (Age: 5 & up)

Prerequisite and Goal: Participants who have passed Youth Level 1 will gain success by mastering fundamental skills. Participants will learn: Enter water by jumping from side; exit using ladder, steps or side; fully submerging and holding breath for 5 seconds; bobbing 10 times; opening eyes underwater and retrieve submerged objects 2 times; front, back and tuck float for 5 seconds; recover from a back float or glide to a standing position; roll from front to back; roll from back to front; front glide 5 yards; change direction while swimming (front and back); front crawl 5 yards; back glide 5 yards; finning arm action on back 10 yards; back crawl 5 yards; treading water (chest deep) for 15 seconds. All classes are 50 minutes in length with the last 5 minutes being review and/or diving board time. (mc)

Location: Richards High School

Code	Days	Date	Time	Res/NR

303012-02	Sa	1/11-3/07	11:30A-12:20P	\$75/\$85
303012-03	Sa	1/11-3/07	12:30-1:20P	\$75/\$85
303012-04	Sa	1/11-3/07	1:30-2:20P	\$75/\$85

Swim Level 3 (Age: 5 & up)

Participants must be able to submerge entire head to enroll. Participants will begin to perfect their front and back crawl, and will learn correct rotary breathing for front crawl. They will begin to explore other strokes, such as elementary backstroke, breaststroke, and sidestroke. They will develop deep water skills such as treading and survival floating. Diving will be introduced in this level from a sitting and kneeling position. (mc)

Swim Level 6 Swimming and Skill Proficiency (Age: 8 & up)

Participants of this class will refine strokes to swim with more ease, efficiency, power and smoothness over greater distances. Level 6 also introduces other aquatic activities and offers three options: Personal Water Safety, Fundamentals of Diving and Fitness Swimmer. These options focus on preparing participants for more advanced aquatics activities, such as competitive swimming and diving. (mc)

Splish Splash (Age: 6 mos.-4yrs.)

Parent & child participate together in the water as our instructors demonstrate swimming techniques that you will use to safely assist your child in adjusting to the water and understanding pool-safety rules with an emphasis on fun and games! A great way to transition a child into youth swim lessons is by having their first swim lessons be accompanied by a parent in the water. Note: Children 3 years & under (or those not toilet trained) must wear a tight-fitting swim diaper or tight-fitting pants under their swimsuits. (mc)
